Re: *United States v. Bonifacio, 15 Cr. 476 (JLR)*

Dear Judge Rochon:

The parties jointly write to request a further adjournment of the violation of supervised release conference in this matter, currently scheduled for April 29, 2025. The Government has learned that the state criminal charges against the defendant, Christopher Bonifacio, remain pending in several jurisdictions, with future court appearances scheduled through at least approximately May 28, 2025. The defendant's state criminal charges relate to multiple pending supervised release violations against him. As a result, the parties respectfully request an adjournment of approximately six weeks, pending further state court proceedings and the potential resolution of the defendant's state charges. The requested adjournment would permit the defendant to appear in state court as scheduled and assist the parties in continuing to discuss the potential for a disposition in this matter. Subject to the Court's availability, the parties respectfully propose a date on or after June 16, 2025 for the next conference in this matter.

Respectfully submitted,

JAY CLAYTON
United States Attorney
